To Whom It May Concern:

This is just to let you know what a pleasant experience it was to have your two employees Todd and Ernie working at the County Administration Building. They came to work on time and worked very well without supervision. It is nice in this day and age, to have dedicated employees working for you.

They were both very professional and a pleasure to work with. We will miss seeing them every day. They are both invaluable asset to your company.

Sincerely,

A handwritten signature in cursive script that reads "Charlotte Miller".
