Subject: ND Capitol Exterior Envelope Restoration

Good Morning,

This letter is to compliment Matt Deloney, Bill Borden, and Brent Leslie on the ND Capitol Exterior Project. They truly are an asset to your company as we could not have been more pleased with their performance on our project. Your staff consistently kept us up to date on all aspects of the project and worked with us to not interfere with planned events that took place on the Capitol grounds. Your staff brought the project in ahead of schedule and under budget, what more could anyone ask for. We have worked with many contractors over the years, and yours is absolutely one of the best we have worked with.

I am sending this letter unsolicited, as a thank you for their great effort on our project. It is a pleasure to work with a company and staff such as yours. We look forward to having you bid on future projects here at our facility.

Thanks again,

Tom Job
